

## ASTM API Bs Precision Steel Pipe 1mm Q195 Q235 Steel Pipe 15mm

### Our Product Introduction

#### Basic Information

- Place of Origin: China
- Brand Name: Zhengshen
- Certification: ISO, GOST, CE
- Minimum Order Quantity: 1 T
- Price: USD600-900/Ton
- Packaging Details: Bundle
- Delivery Time: 5-15 days
- Payment Terms: T/T, LC

#### Product Specification

- Highlight: ASTM API Precision Steel Pipe,  
bs Precision Steel Pipe 1mm,  
Q195 q235 steel pipe 15mm

## Product Description

### API, ASTM, bs, DIN, GB, JIS Q235, Q195, ST37, ST52, ST42 Carbon Steel Precision Pipe

#### Feature:

Material: 45#, Q235, Q195, ST37, ST52, ST42, 10#-45#, Q195-Q345, ST35-ST52

Colour: Silver

Shape: Round

Size: Customization

Features: Seamless, Smooth, Mill Finish ;Bright or Mirror ;Satin Brushed ; Sand Blast

Standard: API, ASTM, bs, DIN, GB, JIS, ASTM A53, ASTM A106, API 5L and so on, API 5L, ASTM A53-2007, BS 1387, BS EN10025, BS EN 39, BS

EN10219, DIN EN 10217-1-2005, DIN 2444, DIN EN 10025, GB/T 9711.1-1997, GB/T 3091-2001, JIS G3444-2006

#### Specification:

|                     |                                                                                                                          |                     |                                                |
|---------------------|--------------------------------------------------------------------------------------------------------------------------|---------------------|------------------------------------------------|
| Place of Origin:    | Shandong, China                                                                                                          | Brand Name:         | Zhengshen                                      |
| Application:        | Fluid Pipe, Boiler Pipe, Drill Pipe, Hydraulic Pipe, Gas Pipe, OIL PIPE, Chemical Fertilizer Pipe, Structure Pipe, Other | Alloy Or Not:       | Non-Alloy                                      |
| Section Shape:      | Round                                                                                                                    | Special Pipe:       | API Pipe                                       |
| Thickness:          | 1 - 15 mm                                                                                                                | Standard:           | JIS                                            |
| Length:             | 12M, 6m, 6.4M, customized                                                                                                | Certificate:        | API, ce, RoHS, JIS, ISO9001                    |
| Grade:              | 10# 20# 45# Q355B                                                                                                        | Surface Treatment:  | Cold Rolled                                    |
| Tolerance:          | ±1%                                                                                                                      | Processing Service: | Bending, Welding, Decoiling, Punching, Cutting |
| Oiled or Non-oiled: | Non-oiled                                                                                                                | Invoicing:          | by theoretical weight                          |
| Delivery Time:      | 22-30 days                                                                                                               | Product name:       | Seamless Steel Pipe                            |
| Usage:              | Boiler Pipe, Hydraulic/Automobile Pipe,                                                                                  | fixed length:       | 5.8---18meter max                              |
| Technique:          | Cold Drawn                                                                                                               | Type:               | Seamless Steel Pipe                            |
